Project Management

Our Project Management service ensures alignment across timelines, budgets, and objectives.

From: **\$30.00 USD / hr** (Save 50% vs Standard Rate)

We take ownership of delivery from end to end, planning, coordinating, and executing projects with precision. Project managers align timelines, budgets, and goals to keep your development process going smoothly.

These are the regular results of the services:

- Project Planning
- Team Coordination
- Client Communication
- Progress Monitoring
- Change Management
- Project Documentation & Closure

Included

- Daily Status Emails: Project Manager also send a status emails covering what was done in the last 24 hours, what will be done in the next 24 hours, includes blockers or important points.
- End Of Sprint (EOS) Reports which summarize the progress in a period of time that could be a sprint, a week, other, including statistics, charts, pictures, and pointing to ready-to-test environments.
